Description

The Faneco ZEN liquid soap and disinfectant dispenser with a capacity of 1000 ml is a wall-mounted device designed to equip public bathrooms, office spaces, hotels, restaurants and commercial facilities. The housing is made of white ABS plastic.

The dispenser is equipped with an ergonomic start button, an anti-drip valve and an inspection window to check the amount of liquid remaining. A key lock restricts unauthorized access to the tank, and the ability to fill with soap or disinfectant directly from the canister makes daily operation easier.
