Description

Faneco 30l is a **freestanding waste bin with a pedal-operated lid**, made of brushed 430 stainless steel. The foot-operated mechanism allows the bin to be opened without lifting the lid by hand, while its 30-litre capacity offers a practical balance between compact dimensions and capacity.

Inside, there is a **removable ABS plastic container**, which makes the bin easier to empty and clean. An additional handle makes it more convenient to carry.

- **30 l capacity** – a versatile size for regularly used rooms.
- **Pedal-operated opening** – allows the lid to be raised without using your hands.
- **Removable ABS inner container** – makes emptying and cleaning easier.
- **Brushed 430 stainless steel** – the material of the outer body.
- **Matte finish**.
- **Freestanding design** – the bin requires no installation.
- **Carrying handle**.
- **Solid, durable base**.
- **Dimensions: height 444 mm, diameter Ø 315 mm**.
