## **LETTER OF REFERENCE**

We pleasantly recommend FANECO company who was responsible for providing sanitary equipment (WC toilets, washbasins and collective washbasins, all made of the highest quality stainless steel) in „Strict regime corrective labor colony” Marijampole, Lithuania .

Extensive knowledge and expertise combined with helpful consulting can be regarded as the greatest assets of FANECO. Together with innovative technological solutions, they fully met our expectations. The subcontractor has also applied to the requirements of the schedule of works which have been performed with flexibility and efficient service.

Thanks to professional approach to the investment, we consider our cooperation as successful and, above all, it was completed with a satisfactory result.

Accordingly, we recommend FANECO as a reliable business partner who understands the needs of even most demanding customer.

Generalinis direktorius  
Audronis Juodis
