Description

Tampon and sanitary pad dispenser made of AISI 304 stainless steel with a white powder-coated finish. It provides convenient and discreet access to menstrual hygiene products in public washrooms, offices, schools, hotels and other shared facilities.

The dispenser holds approximately 150 tampons or 40 sanitary pads. Openings in the housing allow the fill level to be checked without opening the dispenser, while access to the contents is secured with a metal lock and key. The dispenser measures 310 × 200 × 100 mm and weighs 2.35 kg.
