Description

Free-standing waste bin with a capacity of 5 liters, made of polished 430 stainless steel. The pedal mechanism allows you to open the cover without using your hand, which ensures convenient operation in bathrooms and other utility spaces.

Inside it is located**removable ABS plastic container**, which makes it easier to empty and clean the basket. An additional handle allows you to conveniently carry the entire container.

- **Capacity 5 liters**– compact basket for everyday use.
- **Pedal opening**– the cover can be lifted without using your hands.
- **Lid** – covers the contents of the bin when closed.
- **Removable ABS inner bin** – makes emptying and cleaning easier.
- **430 stainless steel**– material of the outer casing.
- **Polished finish**– high gloss surface.
- **Freestanding design**– does not require mounting to the wall or floor.
- **Carrying handle**– makes it easier to change the position of the basket.
- **Reinforced, massive bottom**.
- **Dimensions: height 265 mm, diameter Ø 200 mm**.
