Logistics – master carton

Units per master carton	8.0

Description

The LUNA roll towel dispenser is a wall-mounted stainless steel dispenser designed for centrally dispensed towels in offices, hotels, restaurants and other commercial facilities. The matte finish, geometric form and rounded edges give it a modern look and make it easier to keep the housing clean. The model is equipped with a paper level inspection window and a metal lock with a key, which facilitates servicing and protects the insert against unauthorized access.
