Description

Wall-mounted, double-sided cosmetic mirror with LED backlight, intended, among others, for hotel bathrooms. One side provides standard 1× bounce and the other**3x magnification**, useful during makeup, shaving and other care activities.

The mirror was placed on**foldable arm 350 mm long**, so you can bring them closer to the user and fold them towards the wall after use. The LED backlight is located on both sides of the mirror and is activated by an illuminated touch button.

- **Double-sided mirror – 1× and 3×**– standard reflection on one side and three times magnification on the other.
- **Double-sided LED Ring illumination**– ring of light around both mirrors.
- **Lighting strip width: 10 mm**.
- **Touch button**– illuminated control element.
- **Automatic shutdown after 30 minutes**– the electronic timer turns the device off.
- **Power supply: 4 × AAA**– the mirror does not require permanent connection to the electrical installation; battery is not included.
- **Extendable arm: 350 mm**– allows the mirror to be brought closer to the user.
- **Mirror diameter: Ø 200 mm**.
- **Base diameter: Ø 120 mm**.
- **Material: chrome-plated brass and glass**.
- **Polished frame finish**.
- **Wall mounting**– base attached with two expansion pins.
- **Weight: 0.85 kg**.
- **CE certificate**.
