## Description

Faneco SYDNEY BLACK is a **compact, wall-mounted liquid soap dispenser**, designed for small and aesthetically arranged bathrooms. The slim stainless steel design takes up little space next to the washbasin, and the black finish goes well with dark fittings and modern bathroom accessories.

Capacity **170 ml** makes it a model designed primarily for **bathrooms with less traffic**, where the small size and aesthetics of the equipment are more important than a large stock of soap.

- **Capacity 170 ml**– a small tank suitable for places with lower soap consumption.
- **For liquid soap**– intended for standard liquid hand cleaners.
- **Filling from a canister**– does not require the use of dedicated cartridges; The soap is refilled directly in the tank.
- **Stainless steel**– durable construction suitable for bathroom equipment.
- **Black finish**– goes well with black taps, handles and other accessories.
- **Slim design**– width only **50mm** allows you to install the dispenser even in a small washbasin.
- **Wall mounting**– allows you to leave the surface of the washbasin and countertop free.
- **Fixing with 2 stainless steel screws**– ensures stable attachment to the wall.
