Weight (kg)	1.5 kg
Additional dimensions	Dimensions: 700 × 500 mm

Mounting and connections

Mounting method	Wall

Set contents

Installation kit	Yes

Warranty

Warranty (years)	2.0
Warranty Type	door-to-door

Logistics – unit carton

Carton weight	5.0 kg

Description

vandal-proof wall mirror, dimensions 700 × 500 mm, made of polished AISI 304 stainless steel. The use of a steel reflective surface instead of a traditional glass pane eliminates the risk of sharp fragments in the event of damage, therefore the product is intended primarily for facilities with increased safety requirements.

- **Dimensions: 700 × 500 mm**.
- **Construction without a glass pane**– the reflective surface is created by polished steel.
- **AISI 304 stainless steel**.
- **Finish: Polished/Glossy**.
- **Steel thickness: 0.8 mm**.
- **Vandal-proof construction**– intended for facilities with an increased level of security.
- **Wall mounting**.
- **Fixing: 4 metal screws**.
- **Weight with box: 5 kg**.
- **Product code: N08071**.
- **Warranty: 2 years door-to-door**.

Faneco 70 × 50 cm is a steel mirror intended for places where a traditional glass pane could pose a threat. The polished surface of stainless steel acts as a mirror, and the lack of glass elements reduces the possibility of sharp fragments. The model is intended, among others, for: for prisons, jails, detention centers and other facilities requiring equipment resistant to intentional damage.
