Description

Faneco SYDNEY BLACK is**compact wall-mounted liquid soap dispenser**, designed for small and aesthetically arranged bathrooms. The slim, geometric form and black finish make the dispenser go well with black fittings and modern bathroom accessories.

Capacity**170 ml**makes it a model designed primarily for**bathrooms with less traffic**, where small dimensions and aesthetics of the equipment are more important than large capacity.

- **Capacity 170 ml**– compact tank suitable for places with low to moderate soap consumption.
- **For liquid soap**– dispenser designed for standard liquid hand cleaners.
- **Filling from a canister**– does not require the use of dedicated cartridges; The soap is refilled directly in the tank.
- **Stainless steel**– durable construction suitable for bathroom equipment.
- **Black finish**– goes well with black fittings and other elements of the SYDNEY BLACK collection.
- **Slim, square form**– width only**50mm**allows you to install the dispenser even in a small washbasin.
- **Wall mounting**– leaves the surface of the washbasin and countertop free.
- **Fixing with 2 stainless steel screws**– ensures stable mounting of the dispenser to the wall.
- **Dimensions: 180 × 50 × 90 mm**– small width is one of the most important features of this model.
