Faneco SYDNEY CHROME wall liquid soap dispenser

Code: HSS5XCR
EAN: 5901764298939

The Faneco SYDNEY CHROME liquid soap dispenser is a wall-mounted dispenser with a capacity of 170 ml, intended for hotel bathrooms, offices and commercial facilities. Made of a combination of ZnAl material and glass, it has a chrome finish and a compact form that fits modern sanitary arrangements. Filling from a canister facilitates ongoing maintenance, and screw mounting ensures stable mounting at the washbasin.

Carton Depth (mm)	135 mm
Carton weight	0.41 kg

Logistics – master carton

Units per master carton	20.0
Master carton height	700.0 mm
Master carton depth	210.0 mm
Master carton width	360.0 mm
Master carton weight	9.3 kg

Description

Faneco SYDNEY CHROME is**a small, wall-mounted liquid soap dispenser**, which will work well wherever saving space and aesthetic finishing of the washbasin area are important. The black casing and glass tank create a simple, elegant form that suits modern bathrooms.

Thanks to the capacity**170 ml**the dispenser is much smaller than typical 500 or 1000 ml models. This is a good choice primarily for**small bathrooms and places with less traffic**, where a large tank is not needed.

- **Capacity 170 ml**– compact tank suitable for places with lower soap consumption.
- **For liquid soap**– purpose clearly defined for this model.
- **Filling from a canister**– the tank can be refilled with selected soap without having to buy dedicated refills.
- **Construction of ZnAl and glass**– combination of a metal handle with a classic glass tank.
- **Black finish**– goes well with classic fittings, handles and other bathroom accessories.
- **Wall mounting**– the dispenser does not take up space on the washbasin or countertop.
- **Fixing with 2 stainless steel screws**– stable method of installation on the wall.
- **Compact dimensions 160 × 70 × 95 mm**– small width allows the dispenser to be installed even next to a small washbasin.
