Description

Wall-mounted toilet brush made of brushed AISI 304 stainless steel with an antifingerprint coating and a matt finish. The protective coating helps reduce visible fingerprints and makes the surface easier to keep clean, which is particularly practical in frequently used washrooms.

The wall-mounted design keeps the brush holder off the floor, making it easier to clean the area around the toilet. The brush has a black head and measures 330 × 90 × 90 mm. The model belongs to the HIT ANTIFINGER collection.
