Mounting method	Wall-mounted

Warranty

Warranty (years)	2.0
Warranty Type	door-to-door

Logistics – unit carton

Carton weight	0.77 kg

Logistics – master carton

Units per master carton	6.0
Master carton volume (m^3)	0.028
Master carton weight	4.62 kg

Description

Valera ACTION SUPER PLUS 1800 W – hotel comfort without compromise

Valera ACTION SUPER PLUS is**professional hair dryer designed for hotel rooms and other accommodation facilities**, where guest comfort, aesthetics and solutions adapted to regular use are important.

Power**1800 W**ensures efficient drying, and the ability to individually set the temperature and airflow strength allows each user to adjust the operation of the device to their needs. This is an important difference from simple hotel dryers that offer only one operating mode.

- **Power 1800 W**– ensures efficient drying suitable for everyday use in a hotel.
- **2 levels of airflow strength**– allow you to choose a more gentle or more intense air stream.
- **3 temperature settings**– the user can adjust the temperature to his or her hair and preferred drying method.
- **Light construction – only 0.6 kg**– the dryer is comfortable to hold in your hand even during longer drying.
- **Wall mount**– gives the device a permanent place, helps keep things tidy and ensures that the dryer is always ready for the next guest.
- **Simple, intuitive operation**– settings can be easily adjusted without complicated functions or additional controls.
- **Automatic On/Off safety switch**– additional security, especially important in a device shared with many different users.
- **Housing made of ABS and metal elements**– structure prepared for regular use in commercial facilities.
- **Direct connection to the electrical installation**– allows you to create an aesthetic, tidy station without a visible plug.

Product code: 55420079
Faneco

- **Elegant black colors**– fits well into modern hotel bathrooms, especially those equipped with black fittings and accessories.
- **Compact dimensions**– the device does not take up much space, so it can be easily incorporated even into a small hotel bathroom.
- **2 years door-to-door warranty**– additional purchase security and convenient warranty service.

Valera ACTION SUPER PLUS gives hotel guests something more than just a basic option to dry their hair. The power of 1800 W, three temperature settings and two airflow levels allow you to use it almost as freely as a good home dryer, and the wall mounting ensures order and functionality needed in the hotel space.
