Power supply for Faneco touchless dispensers

Code: ZI5V2A
EAN: 5901764295426

The Faneco power supply is an accessory designed to power automatic dispensers and contactless feeders. Made of black ABS plastic, it allows the device to be connected to the mains instead of battery power. A constant voltage switching power supply with a cable and a standard plug facilitates stable power supply of compatible devices in commercial facilities.
