Faneco PANDA Vertical Folding Changing Table for Babies and Infants

Code: FBCTV
EAN: 5901764295853

The Faneco PANDA wall-mounted changing table is a **vertically folding** changing station for children and infants, designed for public restrooms and facilities frequented by families with children.

It is made of white ABS plastic and mounted to the wall using a 4-screw system, which allows it to be folded away after use to minimize the space it occupies.

The model features a telescoping opening mechanism and an adjustable nylon strap, ensuring safe hygiene procedures.
