Overflow type	standard
Overflow	Yes

Mounting and connections

Mounting method	Wall-mounted

Set contents

Installation kit	Yes
Mounting brackets included	Yes
Siphon included	No

Warranty

Warranty (years)	2.0
Warranty Type	door-to-door

Logistics – unit carton

Carton Height (mm)	220.0 mm
Carton Depth (mm)	470.0 mm

Description

304 Stainless Steel Sink – A Durable Solution for High-Traffic Bathrooms

The Faneco wall-mounted sink is **a sturdy solution designed for public restrooms and other high-traffic restroom areas**. Made of brushed AISI 304 stainless steel, it combines high durability with a simple, timeless design that fits well with professional bathroom fixtures.

The design is intended to make installation and everyday use easier. The sink comes with **a pre-drilled hole for the faucet and drain, and the set also includes an overflow kit with brackets**.

- **AISI 304 stainless steel** —a durable material that is ideal for fixtures in heavily used restrooms.
- **0.9 mm thick steel** —a sturdy construction designed for everyday use in public and commercial spaces.
- **A matte, brushed finish** —gives the sink a professional, versatile look and makes it easier to coordinate with other stainless steel fixtures.
- **Wall-mounted installation** —keeps the space under the sink clear and makes it easier to keep the floor clean.
- **Pre-drilled faucet hole** – allows for easy installation of a properly sized sink faucet.
- **1½” drain opening** – prepared for connection to the drainage system.
- **Overflow set with brackets included** —the most important components needed for proper installation are included with the sink.
- **A practical 480 × 302 × 160 mm compartment** —provides ample space for daily handwashing.
- **Its compact dimensions of 560 × 420 × 199 mm** allow for efficient use of space even in smaller restrooms.
- **Weighing just 3 kg** —its relatively lightweight design makes it easy to transport and assemble.
- **For high-traffic areas** —a good choice for schools, workplaces, retail facilities, restaurants, sports facilities, train stations, and other public restrooms.
- **2-year door-to-door warranty** – added peace of mind and convenient warranty service.

This is a sink designed for facilities where sanitary fixtures must, above all, be durable, functional, and easy to maintain. AISI 304 stainless steel, a simple wall-mounted design, and complete preparations for a faucet, drain, and overflow make this a practical solution for bathrooms that serve many users every day.
